Roper Hospital - Berkeley

Amazing Care Close to Home

YOUR HOME FOR HEALTHCARE

Excellent medical care is more than the building it's provided in or the instruments that are used. It's about the people who administer it with care and expertise. Our people are what make Roper Hospital - Berkeley so special. Here, your healthcare providers truly are your neighbors.

For more than a decade we have provided high quality healthcare to the Berkeley County community. In that time, we have received numerous recognitions and awards for our unmatched commitment to patient satisfaction. You can also be assured that all of our doctors, nurses, therapists and technicians are highly qualified to meet your healthcare needs.

COMPREHENSIVE SERVICES

From a simple blood draw to a sophisticated MRI or even a critical emergency, it is good to know that you have a comprehensive medical center close by to care for a wide range of medical needs.

The following services are provided by Roper Hospital at the Berkeley facility:

- 24-hour Emergency Services
- Laboratory Testing
- Mammography and Bone Density Testing
- X-rays, CT scans and MRI
- Outpatient Medication Administration
