

Your gifts to the Roper St. Francis Foundation have made an immeasurable impact on our patients and community members. If you donated to the Area of Greatest Need in 2024, we want to thank you for your generous support. Your donations play an integral role in advancing Roper St. Francis Healthcare's mission of healing all people with compassion, faith and excellence.

YOUR IMPACT

Your gifts to the Roper St. Francis Foundation have touched the lives of our patients, teammates and community members. Your unrestricted donation helps meet the immediate needs at Roper St. Francis Healthcare.

Thanks to your generosity, we have designated \$1.2 million in unrestricted funds to enhance transportation services across Roper St. Francis Healthcare, expanding access to care for patients in the Lowcountry. The funds were used to purchase two new LifeLink ambulances and two wheelchair-accessible patient transportation vans to add to our existing fleet of vehicles.

EXPANDING ACCESS TO CARE

At Roper St. Francis Healthcare, we are committed to expanding access to care for our patients and community members. Patient encounters at our facilities have grown exponentially, and the demand for transportation services has increased. To keep up with the growing demand, we are expanding our fleet of LifeLink ambulances. Because of your generous contributions to the Area of Greatest Need, we will now be able to reach even more patients with the purchase of two new LifeLink ambulances.

With your help, Roper St. Francis Healthcare was also able to invest in two new patient transportation vans that can store wheelchairs. Without these vans, there is a gap in ensuring access to care for our most vulnerable population. Now teammates can efficiently travel across the Lowcountry to pick up patients and transport them to the appointments, surgeries or the care they need.

THANK YOU

Your unrestricted giving has been instrumental in helping us provide the high-quality care that our patients have come to expect from Roper St. Francis Healthcare. We can't thank you enough for supporting our mission and vision. On behalf of our physicians, staff, and patients, we extend our sincerest thanks for your generosity.

If you would like to support our 2025 Area of Greatest Need fund, you can do so by scanning this code or by visiting [rsfhfoundation.org/donate](https://www.rsfhfoundation.org/donate).
